PROFESSIONAL EXPERIENCE

UI Developer

Oct 2024 - Present

Freelancer

As a freelance developer, I have delivered dynamic, responsive web applications using modern frameworks like React.js, Tailwind CSS, and Next.js. I specialize in creating user-centric designs, implementing scalable front-end architecture, and ensuring cross-platform compatibility.

UI Developer

Nov 2023 - Sep2024

BR Tech Solutions Private Limited

At BR Tech Solutions Private Limited , I actively advanced my skills in front-end development to drive project optimization. I demonstrated proficiency in utilizing contemporary libraries like React.js and frameworks such as Tailwind CSS to elevate the user experience. Additionally, I gained experience in Filezilla and Putty tool.

Frontend Developer

Sep 2022 - Aug 2023

Infraveo Technologies

After Internship, I joined Infraveo Technologies as a Associate Frontend Developer, I effectively harness HTML, CSS, and JavaScript to create and manage web applications for diverse client projects, ensuring they meet client expectations and deliver optimal user experiences. Collaborating closely with design teams, I ensure seamless integration of design elements.

Frontend Developer (Internship + Training)

Sep 2022 - Dec 2022

Infraveo Technologies

I began my career as a Intern at Infraveo Technologies, where I gained firsthand experience in web development agency practices and learned extensively from my mentor.
